

2021-22 Club Accreditation Policy

The goal of Club Accreditation is to provide accountability to all members who participate in the sport, and to strengthen volleyball's club system by rewarding, recognizing and encouraging clubs to better serve their volleyball community.

Approved Club

Minimum requirements of operating a "Approved Club" will include:

- Risk management and liability
 - All Team Personnel (HC, AC, Trainer & Manager) must complete a
 - [Police Records Check](#)
 - [Respect in Sport](#) or [Safe Sport Training](#)
 - Ensure [Rule of Two](#) practices have been shared and adhered to with Club members and coaches
 - Strongly recommend, at least one member of the Team Personnel listed in the VRS is **same gender** as athletes.
- Coaching Development
 - Head Coach complying with Volleyball Canada (VC) [Coach Certification Policy](#).
- Completed Approved Club [Registration Form](#) for the Club, and [Approved Team Registration Form](#) for each team in the Club.

Accredited Club

A club may also wish to achieve the designation of an "Accredited Club". To achieve this a team will need to demonstrate:

- All requirements for **Approved Club**
- Accountability
 - Financial Statements shared internally with the club members or the club is registered as a Non-Profit organization.
- Coaching Development
 - A designated [Mentor Coach](#) for your Club.
- Athlete Development
 - Club has registered members with Sask Volleyball in the following programs (Between Sep 1/21-Aug 31/22):
 - 1+ Learn to Train (6-12 years) - Minimum 6 week program
 - [Elementary Volleyball](#) (formerly Mini & Atomic), [Atomic Smashball](#), or similar
 - 1+ Train to Train (13U-16U) club team
 - 1+ Learn to Compete (17U-18U) club team

- Active website or Social Media account
- Published Formal Policies on Website or Social Media
 - Team and Club operating policies including athlete selection
 - Adopt Sask Volleyball governance policies: Appeal, Code of Conduct, Confidentiality, Conflict of Interest, Discipline and Complaints, Dispute Resolution, Screening
 - Clubs must include a link to Sask Volleyball's [governance page](#)
- Club is represented at Sask Volleyball's Annual General Meeting
- Completed Accredited Club Registration Form for the Club, and Accredited Team Registration Form for each team in the Club

Performance Team (Soft Launch for 2021-22)

- Relevant to 16-18U teams only
- Meet all **Accredited Club** requirements
- Coaching Development minimum requirements
 - Head Coach is [Performance Coach](#) Trained and working towards Certification
 - May not be registered or assigned with another club team roster
 - Assistant Coaches are [Advanced Development Coach](#) Trained and working towards Certification
 - May not be registered or assigned with another club team roster
- Advanced training and competition schedule for development phase including sport science support
 - On court training/competition aligned with Long Term Development (LTD) [Learning to Compete](#) stage. Performance Team expectations:
 - Pre-Season (Nov-Dec)
 - Train 2-3 times a week with a focus on skill development
 - Compete once per month
 - In-Season (Dec-May)
 - Train 3-5 times per week when no competition is scheduled
 - Compete in all league matches, Provincials, and Club Nationals, plus a minimum of 1 out of province tournament
 - HP-Season (Dec, Jun-Jul)
 - Support club coaches and athletes to attend all Team Sask programming
 - Dec – Training weekend (Returning athletes must attend)
 - Jan-May – Recommend potential athletes for provincial ID camps, tryouts, and Premier League
 - Jun-Jul – Successful Team Sask candidates: S&C + 3 weeks of training + Canada Cup
 - Off-season (Jul-Aug)
 - Rest and recovery time

- Strength and Conditioning (S&C) program developed and monitored periodically by a certified S&C Coach through the Sport Medicine and Science Council of Sask ([SMSCS](#)).
- Mental Training program developed and monitored periodically by a certified Mental Training Specialist, ideally through SMSCS
- Nutrition program developed and monitored periodically by a registered dietician, ideally through SMSCS
- Ideal daily training environment
 - Training facility – minimum of 3 meters of serving space on end lines and 3 meters off each sideline. Minimum gym height of 7 meters.
 - Access to two courts during all team training sessions
 - Access to video & stats during team training and competitions
 - 1 hour every two weeks dedicated to small group skill training on top of team training
 - Minimum of two coaches involved in all team training
- Complete a Sask Volleyball yearly club competency & deliverable status report card at the conclusion of the season
