

Intro to Elementary Volleyball

Volleyball activities & games: for children ages 6 to 12 years

Volleyball for children as young as 6 years old? **Really? YES!!**

Learn more . . . about Volleyball Canada's **Elementary Program**

In this free, on-line presentation, you will learn about an innovative approach to introducing and engaging children in being active . . . using Volleyball activities and games as the 'vehicle'.

The **Elementary Volleyball Program** is a resource for teachers, community leaders, and/or coaches working with children ages 6 to 12 years. (grades 1 – 6)

The program is:

- Designed for Elementary school teachers delivering a physical education curriculum.
- An excellent resource for noon hour and/or after school programs.
- A well-designed, detailed program for community leaders and/or clubs looking for developmental programming.
