TOURNAMENT NOTES

A. Seeding

- Based on feedback from ranking email

B. Rules/Format

- All 2024-2025 Volleyball Canada Rules will be in effect.
- The **Mikasa V200W-CEV** will be the official competition ball for this age category.

C. Officiating

Your team will provide Minor Officials for each game in which you are scheduled to play. Your team must provide **1 Scorekeeper** and **1 Linesperson** per match. If players assume either of these roles, they are still eligible to play and may be substituted in to play. Alternatively, your team may wish to have volunteers take care of these duties.

(**NOTE:** Hats are not to be worn by Coaches, athletes, or minor officials {lines persons during a match.})

D. Tie Breaking Criteria

Based on Volleyball Canada Rules, if two or more teams are tied at the end of round robin play, the following criteria will be applied in order:

- a) The team having the best ratio of **won/lost matches**, considering matches **between tied teams**, will be ranked higher;
- b) The team having the best ratio of **won/lost games**, considering matches played **between the tied teams**, will be ranked higher;
- c) The team having the best ratio of **won/lost games**, considering **all matches of the round**, will be ranked higher;

- d) The team having the best ratio of **points for/against**, considering games played **between tied teams**, will be ranked higher;
- e) The team having the best ratio of **points for/against**, considering **all games played during the round**, will be ranked higher;
- f) As determined by the Organizing Committee (e.g. extra game, toss of coin, etc.)

E. Medical Room

- There will be a medical room with an athletic trainer on-site, for athletes requiring first-aid. If athletes anticipate requiring attention, they are encouraged to bring their own supplies (i. e., tape).
- There will be a **\$5 charge per roll** of tape if an athlete does not have her own tape.

F. Match Preparation

- Please have your team ready to play on time, even if your court is behind schedule. We may move your game to another court.
- Teams are expected to have most of their warm-up completed before taking the court, (i.e. jogging, stretching, Thera band work etc.).
- Official warm-up will begin immediately after the referee calls for captains.
- There will be **3 minutes** set aside for official on-court ball control warm-up before hitting/serving warm-up starts. The 3 minutes will start at the direction of the referee.
- Each team will have **5 minutes of hitting/serving** warm-up to ***start*** the tournament. Once each team has completed a match, they will be given **3 minutes of ball control** and a **minimum of 3 minutes hitting/serving** warm-up.
- Your co-operation would be appreciated in moving our tournament ahead of schedule if the opportunity presents itself.

All games shall start on time as scheduled. Failure of a team to be ready to play at the scheduled time will be penalized by the loss of the first set by forfeit. A further 15 minutes will be allowed before the forfeiture of the second set.

- Teams must supply their own warm up balls.
- Coaches, please fill in your rosters and sign the score sheet prior to each match.

G. Warm-up Protocol

Volleyball Canada has developed a “Warmup Protocol” that all teams are now expected to follow, (re: **Rule 7.2.4**).

Teams not following the protocol will have that notation recorded on the game scoresheet by referee and:

- will be informed by the referee to change their warmup routine immediately.
- teams still not following protocol will be assessed either a side out or a point will be awarded to opposing team.
- teams who repeatedly do not attempt to follow the warmup protocol may be subject to further sanctions after review by tournament coordinating committee and Sask Volleyball.
